WELCOME PARENTS, CAMPER'S AND YOUNG ADULTS!

Mission of Lincoln Log Cabin's Summer Youth Programs - Lincoln Log Cabin State Historic Site and the Lincoln Log Cabin Foundation are committed to provide a safe, friendly and productive environment where youth can attain knowledge regarding both the Lincoln family and Abraham's local friends, who had an impact on his life here in Illinois. We also want youth to experience the persistence and determination necessary for families like the Lincolns to sustain themselves on Illinois' farms in the 19th century. We believe that through the youth's experiences here at Lincoln Log Cabin, they too will gain skills helping them to achieve success in their own lives.

To accomplish our mission, we provide three unique summer programs suited to various aged youths and young adults including our: **Littlest Pioneer Day Camp**, for youngsters headed into the 2nd grade, our popular **Pioneer Day Camp**, which expands on the one-day concept of the Littlest Pioneer program to a full week-long emersion into rural life for children in the 19th century, and our third program, the **Young Adult Interpreters Program**, for young adults and alumni of earlier programs. In this summer program participants refine their skills in an area of particular interest to them; and with guidance from on-site staff more fully participate in the interpretive programs at Lincoln Log Cabin.

What NOT to Bring:

CD players, personal stereos, iPods or MP3 players, hand-held video games, large amounts of cash, expensive cameras

**Campers may bring cell phones but they will not be allowed to use them during camp program hours or take them into the historic areas, unless otherwise directed by camp personnel. Meals and Snacks

Campers will be eating a meal prepared on the farm and do not need to bring lunch.

The Pioneer Day Camp provides an afternoon snack for each day of the camp. On occasion campers will have the opportunity to cook or bake their afternoon snack. If you have specific concerns regarding allergies, please share that information with the camp staff on the medical information section of the registration form.

Clothing

We ask that campers wear comfortable clothing for an active day. Shorts or light pants, t-shirts and tennis shoes are appropriate. We do a lot of walking so sandals, especially flip-flops, are a safety hazard. One of the activities during the week is a nature hike.

We ask that campers bring a towel should we have the opportunity to engage in water games in the afternoon. Campers will wear camp-provided 19th century period attire for 4 days of the camp, and will be assigned a locker space to keep clothing and personal items during the week.

Tuesday-Saturday:

GIRLS will wear dresses and aprons. (They need to bring or wear) a tank top or cami and shorts to wear underneath their dress. Shoes should be as close to period correct as is possible. We recommend something like dark ballet flats, “Mary Janes” with no embellishments, or black tennis shoes. Please bring black or white knee socks. Make sure shoes are comfortable

and can get dirty.

If they have a basket at home they are encouraged to bring it to hold their belongings throughout their time on the farm. The basket should be plain and unpainted, similar to something period authentic.

BOYS will be provided pants (if available,) long sleeved shirts, cravats and haversacks. Shoes should be as close to period correct as is possible. We recommend something that will lace up, like boots, old dress shoes, or black tennis shoes. Make sure they are comfortable and can get dirty!

Young Adult Interpreters Program

This program offers graduates of the Pioneer Day Camp and older youths the opportunity to participate more fully in the interpretive programs on the farms and hone their skills in a particular area of interest to them. Participants will work closely with our adult volunteers and seasonal interpreters and are expected to engage in daily chores, such as cooking,

gardening, splitting rails, mucking barns, and wheat harvesting.

Each young adult interpreter will be given the opportunity to explore an aspect of 19th century life of their choosing more fully through an ongoing craft or activity. Whether their interest is in cooking, spinning, sewing, knitting, weaving, woodworking, or gardening, they will be provided with time to hone their craft under the guidance of our skilled staff and volunteers to build confidence in sharing their knowledge with the visiting public. Occasional games or other activities will provide a break from the day-to-day activities.

This program typically begins in early June and lasts for approximately 10 weeks, Wednesdays through Fridays. Participants volunteer at least one day a week from 9:30 am to 4:30 pm and are considered an active member of the Lincoln Log Cabin Foundation's volunteer corps.

The cost is \$40 per young adult, which includes appropriate clothing, the noon meal each day, and all supplies.

Activities:

- Learn the history of Lincoln Log Cabin State Historic Site and Abraham Lincoln's family and work life in Coles County.
- Develop the communication skills necessary to share the history of Lincoln Log Cabin and Abraham Lincoln to people who visit the historic site.
- Spend each day dressed in period attire taking part in the daily interpretive activities with a seasoned historical interpreter who guides them in interacting with the visiting public.
- Learn period skills – quilting, embroidery or knitting, spinning, weaving, wood working, gardening, blacksmithing, or coopering (skills taught vary each year.)
- Engage in 19th century fun and recreation

Make new friends with other young adults who share a love of historic interpretation!

Youths who have previously attended a Pioneer Day Camp session and are turning 14 years of age or older during the calendar year are encouraged to attend an orientation session in order to become an active member of the Lincoln Log Cabin Foundation volunteer corps. Participants will spend a day reviewing the history of Lincoln Log Cabin State Historic Site and interpretative skills. They will also learn about the expectations and responsibilities of volunteer interpreters at the state historic site. Finally, they will develop an individual training plan to complete the process of becoming a fully independent volunteer historical interpreter at the site. Please contact Lincoln Log Cabin State Historic Site with questions or to enter this program.

Camp Expectations

Pioneer Day Camp Expectations–The mission of the Pioneer Day Camp programs is to provide exciting educational experiences that allow each child to fully understand what life was really like in the 19th century when Abraham Lincoln’s family called Coles County home. With that goal, we have incorporated the following expectations for camp staff, campers and parents.

Pioneer Day Camp Staff Responsibilities

- To provide a safe and structured environment for children
- To treat each child fairly and equally as an individual, and with respect
- To communicate openly and regularly with parents

Camper Responsibilities

- To follow the rules for behavior in the Pioneer Day Camp Program
- To respect staff and other children
- To respect the Lincoln Log Cabin’s staff members, animals, and property
- To remain with the program staff at all times
- To participate in activities, and actively learn about life in the 19th century

Parent Responsibilities

- Dropping off/Picking up camper(s) on time
- Signing camper(s) in and out
- Sending camper(s) with necessary items
- Notifying staff of illness
- To be open to communication from staff about child’s behavior and to work with staff for an agreeable solution to any problems that might occur
- To keep the Pioneer Day Camp staff informed of phone numbers and locations where parents can be reached in emergency situations

Behavior-

Participation in the Pioneer Day Camp is a privilege. Through rational communication with children and sensitivity to their needs, feelings and capabilities, we promote a positive system of child management based on praise, two-way discussions, gentle reminders, humor and choices offered to children. When necessary, any staff member has the right to remove a child from a group for a “time of reflection.” If a behavior problem persists, the Pioneer Day Camp Director will contact the parents/guardians to discuss the situation. At that time, a plan for improvement will be agreed upon. The parents/guardians will then be responsible for sitting down with their child (see page 10) and filling out a behavior contract, which will outline the agreed upon plan for improvement and consequences if improvement does not occur.

Both a parent/guardian and the child must then sign this contract. The child will not be allowed to attend the program again until the behavior contract has been filled out and signed by both a parent/guardian and the child.

Complaint Procedures-

The Pioneer Day Camp strives to make your child’s experience in our program an enjoyable time of activity and growth. Open communication among all those involved is essential to our program’s development. Therefore, if you have any concerns about some aspect of our program implementation, we ask you to do one of the following:

Speak with the Camp Director about the situation

Write a letter of formal complaint. Please include the following information:

Your name, phone number and child's name
Brief description of incident or concern.
Brief description of any action you have already taken in relation to the incident or concern.
What measure you suggest be taken concerning your complaint

When a written complaint is received, it will be evaluated by the Camp Director and action will be taken when deemed necessary. A response, including a summary of the evaluation and what action has been taken, will be sent to the parent.

- NO ACTION WILL BE TAKEN ON ANONYMOUS COMPLAINTS*
